

EXECUTIVE SUMMARY Napa Earthquake Confirmed Fatality, Napa, Napa County– September 9, 2014 at 1620 hours

SITUATION OVERVIEW:

The Napa County Sheriff-Coroner's Office has received one confirmed report of a death related to the earthquake in Napa County. Laurie Anne Thompson, 65, of Napa, was at home when the earthquake occurred. Ms. Thompson was struck by a TV during the earthquake and although she complained of headache she did not initially go to the hospital. She was alert on Sunday following the earthquake and did not show any signs of cognitive impairment. On Monday, August 25th, her family noted that she was feeling dizzy and that her cognitive functions were impaired. They convinced her to go to the hospital, but she collapsed, and was transported to the Queen of the Valley Hospital (QVH) by ambulance. While at QVH, Thompson's condition continued to deteriorate and she died on Friday, September 5, 2014 at approximately 0935 hours. The cause of death was an intracranial hemorrhage due to injury sustained from the earthquake.
